SEPTEMBER 13-16, 2020

TWO RIVERS CONVENTION CENTER, GRAND JUNCTION, CO

CO-HOSTED BY:
THE GRAND JUNCTION GEOLOGICAL SOCIETY
& THE FOUR CORNERS GEOLOGICAL SOCIETY

www.rmsaapg2020.com

January 2020

Greetings and welcome to 2020! As we move into a new decade, two things are certain: We will see great change and we will face great challenges. Navigating these challenges will require outstanding science and wise decision-making based on that science.

In the spirit of building strong science and technology networks throughout our Rocky Mountain community we invite you to join us and be part of our team. We ask for your financial support to make RMS-AAPG 2020 a memorable, productive and rewarding experience.

- First-rate geoscience and technology transfer. A strong technical program will attract a broad cross section of geologists to see your logo and recognize your contribution.
- Great Fun! The 29th Annual Colorado Mountain Winefest follows. Spectacular National Parks and Monuments and some of the best single-track mountain biking in the world are nearby.
- Easy logistics.
- Fantastic venue at the Two Rivers Convention Center. Great hotels, galleries, restaurants and bike trails are all within walking distance.
- And, most importantly, **we will show our appreciation** to our sponsors. We will advertise your name and logo on signage at events, in the convention program book, at technical sessions, on our website and in every way we can. Opportunities exist to put your company logo on our meeting bags, on lanyards or to sponsor a special event.

Please call us at the numbers listed below or email us at SponsorsRMS2020@gmail.com. We can discuss the details. We are excited about hosting RMS-AAPG on Colorado's Western Slope this year and are looking forward to sharing our ideas.

Thank you for your interest and support in promoting the open exchange of ideas and science that is critical to our success in an ever-changing world.

Best regards,

Co-chairs:

Tom Ann Casey
